DETAILED ACTION

Allowable Subject Matter

1. The following is a statement of reasons for the indication of allowable subject matter:

Regarding claims 12 and 30-31, none of the prior arts of record, in combination or individual, show or make it obvious a method for carrying out a transfer procedure in a radio communication system for a packet-switching connection, whereby the mobile station is assigned to a first cell and a first residence zone. As the mobile station moves to a second cell and a second residence zone, the connection is assigned a residence zone change identification, wherein a transfer procedure for the packet-oriented connection from the first cell to the second cell is carried out and after a delay, the transfer procedure a data exchange by the packet-switched connection is reestablished and the data exchange a procedure for residence zone exchange is carried out. Claims 2-20 and 23-29 are dependent claims.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
